

Computers and More An Awesome Degree

Leganés, January 1st, 2011
Duration: 10 min.

Final examination.
Score: 5 points out of 10 total points for the exam.

There is only one correct answer for each multiple choice question. Each correct answer adds $\frac{1}{4}$ points. Each incorrect answer has a penalty of $\frac{1}{12}$ points. If no answer no score is awarded, neither positive nor negative.

- Mark out your answers with an “X”.
- If more than one answer or no answer are selected, the question is considered to be not answered (no score is awarded, neither positive nor negative).
- Fill in **all the fields** of the following form.

(1) Write your personal data clearly.

Last name:	
First name:	
Group:	

(2) Write down your NIA and cross out your answers with an “X” mark:

Model: A

NIA:

--	--	--	--	--	--	--	--	--

	A	B	C	D
